OBJECTIVE

Aspiring Full-Stack Developer with strong MERN stack expertise (MongoDB, Express.js, React.js, Node.js) and hands-on experience in real-world applications including social media and employee management systems. Passionate about scalable systems, web security, and modern backend architecture. Seeking a growth-oriented role to contribute to robust and secure web solutions.

EDUCATION

Bachelor of Computer Application, ITM University, Gwalior (Institute of Technology and Management University) 2023 – 2026

SKILLS

Technical Skills	HTML, CSS, JavaScript, Python, Java, React.js, Node.js, Express.js, Django, MySQL, MongoDB,
Soft Skills	Team Collaboration, Problem-Solving, Critical Thinking, Time Management, Self-Motivation

EXPERIENCE

Data Analyst Internship Elevate Labs	Aug 2024 – Sep 2024 <i>Mode: Virtual (Online)</i>
--	--

- Completed a certified Data Analyst internship under Skill India and MSME, Government of India.
- Awarded **Best Performer** for analytical accuracy, data interpretation, and reporting quality.

Industry-Ready Internship Program ITM University	Jun 2024 – Aug 2024 <i>Gwalior, Madhya Pradesh</i>
--	---

- Completed intensive training in **DSA, MySQL, MongoDB**, coding best practices, and industry-level soft skills.
- Improved communication, teamwork, and project planning abilities through real-world task simulations.

PROJECTS

Employee Management System – Built a complete full-stack system using **React.js, Node.js, Express.js, MongoDB, Tailwind CSS**. Implemented authentication, role-based access, CRUD operations, and task management.

Social Media App – Developed a MERN-based platform with **JWT authentication**, post creation, likes, comments, follow/unfollow, **real-time chat using Socket.IO**, and Cloudinary image uploads.

CERTIFICATIONS

The Joy of Computing Using Python (Elite) Issued by: NPTEL (IIT Madras)	<i>May 2025</i>
---	-----------------

- Completed 12-week program covering Python programming, algorithmic thinking, and real coding assignments.

AWS Academy Graduate – Cloud Foundations Issued by: Amazon Web Services (AWS Academy)	<i>Sep 2025</i>
---	-----------------

- Gained foundational knowledge of AWS Cloud, EC2, IAM, S3, VPC, Serverless (Lambda), Cloud Architecture Basics.
